

## WHAT IS THE SHERIDAN HOUSE RESIDENTIAL PROGRAM?

For over 50 years, Sheridan House Family Ministries has provided residential care for children in the tri-county area of South Florida. We offer assistance to families with middle and high-school-aged children experiencing behavioral issues which may include school suspensions, poor impulse control, and/or disruptive family behavior. The Sheridan House Residential Program is designed to intervene in the life of a family before dysfunctional behavior becomes a habitual lifestyle. Our chief objective is to provide the structure and environment that allows the children to make the life changes necessary to accept responsibility for their actions and to develop essential life skills.
